

RESOLUTION NO. 2026-02

A RESOLUTION OF THE BOARD OF DIRECTORS OF BROOKTRAILS TOWNSHIP COMMUNITY SERVICES DISTRICT AMENDING RESOLUTION 2002-02 AND ADOPTING THE 2026 RECREATION, GREENBELT AND CONSERVATION COMMITTEE CHARTER

WHEREAS, Resolution 2002-02 was adopted to establish the Recreation, Conservation and Greenbelt Committee and its roles and responsibilities;

WHEREAS, committee members desire to be engaged when Board decisions affect recreation and vegetation management in the Greenbelt;

WHEREAS, some items for which the committee was made responsible have been accomplished, others are ongoing, and still others have shifted in task focus and/or timely importance;

WHEREAS, the committee and its leadership met over time and coordinated with the District to create a Charter that develops a common understanding of their role in Brooktrails; and,

WHEREAS, adoption of this Charter will amend the original resolution to allow the committee to implement its updated focus and approach.

NOW, THEREFORE BE IT RESOLVED that the Board of Directors of Brooktrails Township Community Services District adopts the 2026 Recreation, Greenbelt and Conservation Committee Charter.

ADOPTED this 13th of January 2026 at a Regular Meeting of the Board of Directors of Brooktrails Township Community Services District by the following roll call vote:

2026 Brooktrails Recreation, Greenbelt, and Conservation Committee Charter

Purpose: The purpose of the Recreation Greenbelt and Conservation Committee (RGCC) is to support the Brooktrails Township Community Services District (District) Board of Directors (BOD) and the General Manager by providing advice and feedback on needs and opportunities for recreational resources and greenbelt enhancement. The committee provides engagement for residents of Brooktrails to become involved and provide expertise for recreation and management of district-owned Greenbelt lands.

Formation: The RGCC is an “Advisory Committee”, as defined in Township Policy Manual Section 2.01.700, which is appointed by the BOD. The committee was first formed by Resolution 2002-02 on January 26, 2002, which identifies the basic scope and procedures for the committee. (Attached)

Membership: Membership consists of up to two directors from the BOD, with only one being a voting member; and, up to 6 volunteer members from Brooktrails with interest in advising the BOD on recreation, conservation and the Greenbelt. Members with expertise and interest in trail development, outreach, signage, forest health and land management are a technical resource that can aid in conserving and enhancing the Greenbelt. A quorum is one plus ½ of the number of current committee members.

Responsibilities: The RGCC is an advisory committee that will make recommendations to the BOD on matters under its purview and related to recreation, conservation and the Greenbelt. It cooperates with Willits Area Cyclists whose Memorandum of Understanding (MOU) with the District enables them to coordinate trail maintenance projects.

The BOD may request information from the Committee as well as receive feedback or recommendations from the Committee. In conjunction with the Manager, it is advised that the BOD will consult with the committee prior to making decisions for significant changes that develop or remove recreation resources. It is advised that the BOD will consult with the committee on forest fuels reduction grant projects or other vegetation management projects that extend beyond road or infrastructure buffers into the Greenbelt.

Meetings and Reporting (Minutes): Meetings are open to the public. The RGCC has historically held monthly meetings on the last Thursday of the Month. At the time of charter adoption, meetings are being held quarterly in January, April, July and October. Special meetings or alternate meeting dates may take place with at least 10 days’ notice, confirming availability of a quorum, and by request of Committee Chair.

Meeting minutes and Agendas are prepared by members. Minutes are provided to the General Manager and the RGCC prior to meetings. Agendas are posted by the District.

Sub Committees: Occasional short term work groups of two committee members may work on specific tasks to develop recommendations for the full committee.
